Detroit, Mich., August 14.—J. C. Milam's sturdy and consistent campaigner, Merrick, added to his laurels by winning the Pontchartrain Selling Stakes at Windsor this afternoon. Merrick was much the best of those that started in the race, but poor handling almost caused his defeat, his margin at the finish being a scant head over Ida D., with Al Muller alike distance behind the first two, Al Muller showed the greatest amount of early speed, with Merrick, his closest pursuer, under restraint. At the stretch turn Davis was caught napping and Merrick made a both for the outer rail. This cost him considerable ground and allowed Al-Muller to take a consistence of the outer rail. #### GOSSIP OF EASTERN RACING.

Saratoga, N. Y., August 14.—James R. Keene, America's greatest turfman, arrived last night from New York to see Sweep and Grasmere run in his colors in the Hopeful Stakes, the official net value of which to the winner, according to Secretary Earliocker of the Saratoga Association, was \$17.169. Mr. Keene inspected his two colts long and earnestly in the paddock before the race and finally remarked: "If Sweep had Grasmere's size there would be nothing to the race but the blocky little son of Ben Juneow Manuality. He developed near almost ungovernable temper last spring and Rowe has had a hard undow manuality. He developed near lanost ungovernable temper last spring and Rowe has had a hard time conquering him. There was not a lad in my stable, not even Marshall, who ventured to ride him at exercise. Cured of these infimities, Grasmere would probably be the horse of the century."

Ocean Bound, the juvenile filly champion of the year, never got into really serious contention in the big race today. Her owner. Woodford Clay, was much disappointed at her poor showing, but accepted her defeat philosophically and said: "It was a case of sending the pitcher to the well once too often. She did not run at any part of the race today. The pace was so slow the first quarter that I was surprised not to find her in the lead by half a dozen lengths. She pulled up suffering great last surprised not to find her in the lead by half and sever done before. We do not know where the dott, be inches to the latter theory. I have hose of getting her to the races late in the fall, however."

Rocky O'Brien's victory was received with absolute sience. This cold was one of the star vanice.

Tool, but incline to the latter theory. I have hopes of getting her to the races late in the fall, how those with the latter theory. I have hopes of getting her to the races late in the fall, how those late silence. This colt was one of the star youngsters running in California and has been steadily campaigned since early in January. Jockey Powers is said to have received a \$2.500 riding fee for wining with him. Rocky o'Brien will get into the Futurity with 130 pounds.

August Belmont's Fair Play will shortly be brought back to this country to race.

Tim Woodruf, former lieutenant-governor of the state of New York, was one of the distinguished visifors at the track this afternoon.

Thirty odd breeders in various sections of the country have arranged to assign 301 yearlings to the New York September sales at Sheepshead Bay.

#### CONCERNING CALIFORNIA RACING.

Ross added that the Los Angeles Racing, Angeles and would coperate with him to Racing Asserts and the competate with the property of the competation of the competat

#### TWO IMPORTANT CASES PENDING.

New York, August 14.—With two exceptions, court decisions have been rendered in all the cases arising out of betting at the metropolitan race tracks. The exceptions are among the most important of all, viz.: Whether or not ordando Jones and Sol Lichtenstein, who were arrested for bookmaking, are guilty of violation of the Hart-Agnew law. These cases are now pending before the Court of Appeals and decision is expected next October.

#### BIG SURPRISE IN HOPEFUL

McMANUS' ROCKY O'BRIEN, DESPISED OUT-SIDER, WINS STAKE AT SARATOGA.

Sweep Finishes Second and Ocean Bound Is Unplaced -Sir John Johnson Breaks Track Record in Winning Handicap.

Saratoga, N. Y.. August 14.—James McManns' Rocky O'Brien won the Hopeful Stakes today by a margin that Presiding Judge McDowell pronounced half a length. The winner carried his full weight of 122 pounds and made concessions to all his opnonents, except Ocean Bound and Sweep, which were respectively penalized three and eight pounds. Always in the second group, he came to the front in the last furlong, but had all he could do to stall off Sweep. The latter drew the extreme outside position as with the contract of the contr

ion of a claim or roun, he winner seemed to have a clear lead at the decuning line. Ocean Bound was conspicuous until three furor line. Bound was conspicuous until three furor line. Bound was conspicuous until three furor lines had been run. Half way around the turn she

limped away she particularly favored her left forefoot. French Brooks, her trainer, said that that
foot had been the worst since she became sore.
Grasmere had no excuses. He started from fourth
position, got away well, was third, lapped on the

Sweep had the post position from which Grasmere started he would have won. He came up from New York last night to watch the running of his cotts.

Sir John Johnson, with 109 pounds up, won the Merchants' and Citizens' Handican, and in doing so, established a new track record for a mile and three-sixteenths, when he ran the distance in 1.58. The best previous track record was 1.582, made when Running Water won the same event in 1907. The winner was never headed. He galloped in front the winner was never headed, He galloped in front lead, Given his her Bonquer challenged for the lead, of the header of the lead, and the winner was never headed, He galloped in front the end, managed to stall off the male, which whipped out, also faltered in the closing strides. Fayette was a false alarm. He was close to the bace for nearly a mile and then weakened. Swerving to the inside in the last fifty yards he lost third place by a head to Beaucoup. The latter an last for the greater part of the journey. Berkeley ran with Fayette and Bouquet for about three-quarters and then retired.

After fouling Prince Gal and forcing him against Rose Queen, which was squeezed against the rail until pulled up. Lady Irna finished first in the closing sprint: The crowding occurred close to the last furlong post and directly opposite the betting enclosure. Spectators were almost unanimously of the opinion that Lady Irna would be disqualified. Powers, who rode Rose Queen, went into the stand and made a claim. After hearing it, the stewards confirmed the original placing and suspended Union. It was one of the most astonishing decisions ever rendered here. That Lady Irna, under punishment, was the aggressor was apparent to everybody who saw the crowding. That Union was also evident. Tonight 'What do you think of that decision?' is heard on almost every side. On the turn Lady Irna suffered from crowding and lost at least three

E. Martin was the real offender was also evident. Tonight "What do you think of that decision?" is heard on almost every side. On the turn Ladv Irma suffered from crowding and lost at least three lengths. Upton was blamed for that. For the subsequent glaring foul Martin alone was to blame. The attendance was the largest in two years, exceeding that of last Saturday by ten nor cent. Finer weather could not have prevailed. The track was at its best. Having had a liberal ton dressing of sand it is not so fast as last year. Favorites were beaten in four of the six races. Cherryola and Rio Grande being the two that won.

The steeplechase produced a good contest between three to the final stages, with a driving finish between Byzantine and Grandpa. Economy objected to the Liverpool the second time around and bolted out into the field.

#### SLUMP IN JOCKEY POWERS' RIDING.

Champion Jockey of 1908 Riding So Poorly at Saratoga That His Services Are in Little Demand.

The slump which has overtaken jockey V. Powers, champion American rider of 1908, and prospective champion of 1909, continues. Since the opening of the Saratoga meeting, Powers has piloted only two winners, and on account of the poor form that he has been showing his services are at present in little demand. Up to yesterday Powers had ridden in twenty-five races during the ten days that the Saratoga meeting has been in progress and thirteen of his mounts were unplaced. This showing is in marked contrast to the creditable record which he earlier part of the current year, showing is from the current year, the property of the property o

#### W. H. GLEASON IN CHICAGO.

W. H. Gleason, who is laboring among eastern horsemen in the interest of the thirty-seven day meeting which will be held at Salt Lake City, Utah, September 18 to October 30, was in Chicago yesterday. Mr. Gleason is enthusiastic over the prospects for the meeting and expects to induce a considerable shipment of horses from the east to the Utah track, He points out that horsemen who have an idea of shipping west this fall might find it both convenient and profitable to take in the racing at the Colorado State Fair at Denver September 13-18, then ship to Salt Lake City, from which point it would be an easy shipment either to California or Juarez for the winter campaign.

#### ONE MORE WEEK AT WINDSOR.

Windsor, Ont., August 14.—The summer meeting of nineteen days, which began here on July 31, will come to a close next Saturday and the scene of Canadian racing will shift back to Fort Eric, whence the horses racing on this circuit came here. The Windsor meeting has been in all respects the most successful in the history of racing hereabouts. The attendance has been on a more ambitious scale than ever before. The financial returns to the Windsor and the sport has been on a more ambitious scale than ever before. The financial returns to the Windsor association will be the summer of the windsor graffying. There having been an almost cause of the second of the windsor reduced, as one result of the improved class of horses that have been engaged in the racing, coupled with the excellent condition that the course has been in throughout the meeting.

At the class of the Windsor meeting, three days will elapse before the opening of the fall meeting at Fort Eric, on Thursday, August 26. This will give horsemen ample opportunity for the transfer of their stables to the Niagara Racing Association's track in comfortable fashion. The Fort Eric meeting will run for nine days and will come to a close September 4, the same day that the Montreal Jockey Club will open at Blue Bonnets for a fall meeting of thirteen days.

#### UNIMPORTANT RACING IN ENGLAND.

Over in England racing will take place this week at Wolverhampton, Stockton, Folkstone and Hurst Park, but no events of any great importance are scheduled for decision. Unless in small stakes closed recently, the American owners racing their horses in England are not largely represented, and altogether in a racing way it is a week important only to the places where the meetings named are to occur.

#### NOTES OF THE TURF.

There is some talk of an automobile race meet at the Latonia race track,

The annual sale of yearlings and broodmares from the Valley Farm Stud of the Messrs. Hendrie will take place at Toronto September 22. Dr. Andrew Smith, one of the nestors of the Canadian turf, who is visiting in England, was re-cently conducted over the Newbury race track and expressed himself as having immensely enjoyed the inspection.

Jockey Guy Burns has left Windsor for Saratoga to ride for trainer James Rowe. The terms of his suspension for rough riding at Windsor has not px-pired, but Burns was told that there is no objection to his riding elsewhere.

to his riding elsewhere.

Dick Williams, who races his horses under the mame of the Pasadera Stable, will ship from Butte to Fort Erie. Williams added the good two-year-old brown colt, Miles, by Migraine—Countess Wauda, to his string a few days ago. The colt cost him \$1,000.

Among the jockeys riding at the Delorimfer Park outlaw meeting are Griffin, Dryer, E. Smith, Crowhirst, Thompson, Garwood, Haynes, Wilson, Baker, Turner and Bolnes. There is such a scarcity of horses at the track that fields of three and four starters predominate, with the same horses running day after day.

Went to post at 3:37. At post 1 minute. Start good. Won handily; second and third driving. Byzantine, after forward pursuit of the pacemakers from the start, outstayed the two leaders under a vigorous finish. Grandpa made the running from the start and feaced well, had no mishaps and succumbed in the closing strides. Sandy Creeker ran in strenuous pursuit in menacing contention for two miles and a quarter, then tired after a good race. Economy, inexperienced over this course, blundered in the carly racing and finally refused at the Liverpool in the second time around. The winner was entered for \$1.400; no bid. Winner—B. f. by Sempronius—Lady Balgowan (trained by P. T. Chinn).

Went to post at 5:10. At post 4 minutes. Start good. Won easily; second and third driving. Lady Irma ran into quick forward pursuit and was crowded back on the far turn, but recovered quickly, moved into game contention in the stretch and swerved sharply to the inner rail, but came on and won going away. Jolly helped force the pace on the inside and was crowded out, but came along on the outside into a fast going second in a cracking effort. Ruble, pulling up at the start, closed an immense gap in a remarkable effort. Prince Gal lapped Rose Queen to midway of the stretch, but was forced to pull up by Iady Irma and lost all chance. Rose Queen began slowly, but took the lead and set the pace to midway of the stretch, where she was crowded to the rail by Prince Gal and Lady Irma and nearly thrown, then had no chance. Yama closed a big gap in a fast finish. Watervliet showed superior early speed and is a grand looker.

## Thursday, August 19

This horse which starts on Thursday has created the sensation of the early morning gallops and has become a paddock secret. All who are in on this become a paddock secret. All who are in on this secret have been astonished at the work-outs of this animal at the old Horse Haven track, having breezed on two occasions six furlongs in 1:14 and finished a mile in 1:40 with a 145-pound boy up and fighting hard for the head. Everything has been arranged and we are ready to make the biggest

### The Hayes FLAT BET SYSTEM.

THE GREATEST SYSTEM EVER DISCOVERED. CAN BE OPERATED AT POOL-ROOM, TRACK OR HANDBOOK ON A CAPITAL AS SMALL AS \$20.

CAPITAL AS SMALL AS \$20.

RACE PLAYERS, I wish to say a few words in
regard to this system. First, it is different in
every way from any other system ever before discovered. It is strictly a FLAT BET SYSTEM.
Your bet is the same on each race, never more nor
less. It never plays more than one horse-in a race.
It deals in no way with handleapping or newspaper
selections. It makes its SELECTIONS from the
ENTRIES and PAST PERFORMANCES. If desired,
all bets can be placed the morning of the day of
race or even night previous if you can get entries.

MY GUARANTEE to every PURCHASER—I
GUARANTEE every purchaser of The Hayes Flat
Bet System to refund the price paid for said system
if it is found that the record as stated below was
not realized with a capital of \$40, or that the
capital EXCEEDED \$40, C. HAYES.
